42 Large Scientific Databases

**Agriculture & Food**
- AGRICOLA
- Center for Food Safety and Applied Nutrition (CFSAN)
- Technology Transfer Automated Retrieval System (TEKTRAN)
- USDA Food and Nutrition Center

**Applied Science & Technologies**
- DefenseLINK Website
- DOT National Transportation Library Integrated Search
- DTIC S & T Database
- National Institute of Standards and Technology Data Gateway
- U.S. Patent & Trademark Office Database

**Astronomy & Space**
- NASA Technical Reports Server (NTRS)
- NASA Website
- SAO/NASA Astrophysics Data System (ADS)

**Biology & Nature**
- NBII National Biological Information Infrastructure

**Earth & Ocean Sciences**
- NOAA Photo Library
- USGS Publications Warehouse

**Energy & Energy Conservation**
- DOE Alternative Fuels and Advanced Vehicles Data Center
- DOE Information Bridge
- EIA Publications
- Energy Citations Database
- National Renewable Energy Lab Website

**Environment & Environmental Quality**
- EPA Pesticides Factsheets
- EPA Science Inventory
- HSDB Hazardous Substances Databank
- National Service for Environmental Publications (NSCEP)

**General Science**
- Code of Federal Regulations
- Federal Register
- National Technical Information Service (NTIS)
- Science.gov Websites

**Health & Medicine**
- Cancer.gov
- Centers Biologics Evaluation and Research (CBER)
- Center for Drug Evaluation (CDER)
- ClinicalTrials.gov
- MedlinePLUS
- PubMed
- PubMed Central
- TOXLINE Toxicology Bibliographic Information

**Math, Physics & Chemistry**
- DOE Information Bridge
- DOepatents
- DOE R&D Accomplishments Database
- Energy Citations Database
- E-print Network

**Natural Resources & Conservation**
- Treesearch

**Science Education**
- ERIC Education Resources Information Center
- NSDL National Science Digital Library
- NSF Publications Database
